Please respond to <pfuglevand@dofnw.com>

Kathy, per your earlier request here are three NWOD 11x17 figures:

- NWOD showing all segments
- Segment 2B, showing oily ponds on LWMA
- Region from UTA line out to Great Salt Lake

Let me know if you need anything else.

Subject: RE: NWOD

Kathy, here are three figures that already exist.

<![if !supportLists]>•<![endif]>NWOD Site Plan – 11x17 that shows all three segments of NWOD

<![if !supportLists]>•<![endif]>NWOD Site Plan with LWMA Vicinity Map Call out. This 11x17 is the same as the NWOD Site Plan, with a call out of the location of the LWMA Vicinity Map.

<![if !supportLists]>•<![endif]>LWMA Vicinity Map. This is from the LWMA Bank Characterization Summary Report. It is 8.5x11, not a 11x 17 figure. I am working on a 11x17 map and should have it by tomorrow or Monday.

I do not have a regional map handy of the entire drainage from the UTA property down to GSL. I will get one put together for you.

Let me know if the NWOD Site Plan is what you are looking for, or if you would like it modified.

Subject: Re: NWOD

Can you send me an 11 x 17 map that illustrates the 3 segments and another map of 11 x17 that illustrates the Segment 2b with the LWMA and oily ponds. Lastly an 11 x 17 map of the entire drainage from the UTA property down to GSL. I need them for meetings. Also can I get a map from Chevron of the locations of the groundwater monitoring wells?

Thanks,

Kathy
